

Face Care

Our spa treatments provide the answer to any skin or body care need, correcting imbalance while always respecting the delicate integrity of the skin. All treatments are performed in our luxury spa suites on warm tables by a professional spa therapist.

Zarja Signature Luxury Spa Facial

Begin your journey to complete relaxation and skin renewal with a hand and foot massage, followed by the application of a hydrating warm paraffin mask. A refreshing essential oil blend will be applied to your scalp as you begin your experience. A customized facial including a luxurious facial massage will follow for total renewal.

Glorious Skin Lifting Facial

Truly luminous skin is unveiled, with instant vitality, youthfulness, and satiny texture -- may be customized for sensitive skins. Steaming, mild exfoliation, and massage is included.

4-Layer FaceLift™

This revolutionary 4 layer renewing facial will change the image of the skin in just one application. Vitamin C, glycolic acid, and gentle but highly active enzymes speed up cellular turnover and brighten, tighten, and lighten your skin in just one treatment.

Essential Therapies Facial

Customized to address your skin's specific needs, this European facial delivers therapeutic extracts and active ingredients to provide your skin with total renewal. In addition to targeting specific areas of concern, a complete skin analysis, gentle exfoliation, steam therapy, pore cleansing extractions, and a relaxing massage will be performed.

Facial Enhancement Masks

- Absolute Pearl Brightening
- Anti- Aging Vitamin "C" Firming
- Propolis Calming
- Acne Solutions

Vitamin Enriched Ampoules

Refresher Facial

Enjoy this mini version of our Essential Therapies Facial to enhance tired skin. No steam or extractions will be performed.

Anti-Aging Exfoliating Solutions

Exceptional skin awaits! Your skin will be revitalized and renewed!

Skin Resurfacing Microdermabrasion

Revitalize, smooth, and reduce the signs of aging and brown spots with this gentle microdermabrasion treatment and hydrating mask.

Peel Bar-Glow on the Go!

Exceptional skin awaits following one of our results driven peels. Allow your Esthetician to evaluate your skin, discuss your desired results, and recommend the appropriate treatment for you. Your skin will be bright, exfoliated, and refreshed. Add a lifting mask or vitamin serum for that extra boost!

Ageless Beauty Boot Camp

This amazing six week skin renewal program will leave your skin totally renewed and repaired. Your series begins with a complete consultation and includes an Essential Therapies Facial, two Microdermabrasion treatments and 3 peels. A homecare soothing kit is included to enhance your results.

Peel Specifically For Him

This skin renewing skin exfoliation treatment targets a gentleman's specific areas of concern. Your skin will look vibrant and smooth.

Body Massage and Treatments

Esteemed for its ability to relax mind and body, massage can help to reduce chronic pain, headaches, and improve overall health.

Zarja Signature Massage

A true aromatherapy experience! Select the essential oil blend of your choice and begin with a welcoming inhalation of your selection. Warm stones will be utilized in specific areas for added therapeutic benefits and relaxation.

Foot Therapy

Enjoy a warm foot soak and shoulder massage prior to this rejuvenating foot revitalizing treatment. Choose from true reflexology or customized foot massage.

Customized Foot Massage

Reflexology

Scalp Massage

Renew your spirit as essential oils are massaged into your scalp to restore energy and refresh your mind.

Massage Traditions

Experience the skilled hands of our professional and well-trained massage therapists. Choose from a fifty or 80 minute treatment with either a female or male therapist. Your choice of massage includes:

Swedish
Deep Tissue
Warm Stone
Aromatherapy

Body Care

Exceptional treatments for the body provide the ultimate spa experience and are not to be missed! Enjoy choosing from our Custom Body Blend Bar. (Programs may be designed upon request for any body concern.)

Zarja Signature Aroma Body Blend Experience

This exquisite body experience delivers complete renewal. First, choose the scent that inspires you. Next, allow us to blend the herbs with the exfoliation product of your choice based on skin type and needs. Your body will then be gently exfoliated with your customized smoothing blend of active ingredients. A warm oil forty-five minute massage with your choice of scent will follow to deeply hydrate your skin. You will enjoy the benefits at home with a goodie bag of your special blend.

Simply Irresistible Body Exfoliations

Silky smooth skin awaits! Choose from lightly scented salts or sugars to gently exfoliate and smooth your skin. A whipped soufflé body cream will then be applied leaving your skin polished and vibrant.

Silky Sweet Body Treat

Choose your favorite scent from a variety of refreshing fruit or floral fragrances, then sit back and let us renew your skin with this

sweet treat without the calories! A gentle body polish will be followed by a warm, hydrating, sweet body mask in the scent of your choice. To complete this decadent treat, a warm soufflé body cream will be applied.

Body Repair Wraps

These warm irresistible body wraps begin with a gentle exfoliation to prepare the skin for exceptional treatment. Whether your skin needs hydration, detoxification, or smoothing, we can provide.

De-age repair*: hydrate and renew.

Monticelli mud wrap*: detoxify and muscle relaxing.

* Restrictions apply – consult your spa therapist.

Spray Tanning

Have a radiant golden tan without the danger of damaging UV rays.

For the most pleasurable spa experience,

When should I arrive?

Arrive at least 15-30 minutes prior to your appointment to allow time to check in, take a shower, and change into your spa robe for ultimate comfort.

What should I wear?

You may or may not choose to wear undergarments for your service. Appropriate draping techniques will be utilized.

Should I alert someone if I have any health concerns, allergies, or disabilities?

Please explain any health concerns, allergies, or pregnancy with your spa therapist.

Can I have a facial if I am using any type of skin peeling product?

Be sure to advise the therapist if you are taking any topical or internal skin renewal products prior to any facial or waxing service.

Can I bring my cell phone?

For your comfort and that of other guests, we ask that all cell phones are turned off prior to entry into the spa. We are not responsible for any lost items.

Cancellation Policy

No shows and cancellations less than 4 hours prior to your scheduled appointment may result in a \$40 charge to your account.
